

IT Services - Design, Install, Support

Hardware, Software, and Tech Services - Auckland based

Key Features:

- Year on Year revenue growth
- SDE/EBITDA FY23 $185K/Revenue $432k
- SME market of core customers providing ongoing and repeat business.
- Low overhead, easy to manage with established supplier arrangements.
- Add additional income streams, market off the back of the established reputation and grow the business.

The founder has developed a reputation and a niche position based on service and a customer-centric approach resulting in building a successful business that provides a very comfortable income with low overhead & no staff hassles.

The business provides IT design, installation, and support model for small to medium-sized businesses including onboarding support to some govt agencies. Revenue is supplemented by a growing demand for hardware sales. Recurring income is derived from server/cloud-based monitoring, IT security, software subscriptions and office relocations, complimented by labour charges. Most work is completed either virtually or remotely with some onsite work required for staff onboarding, hardware changeouts, and installations. The owner has
