Established over 10 years ago, the company operates a commercial cleaning regional master franchise. The business forms a part of a well-known commercial cleaning franchisor in New Zealand that provides full on-going support for an incoming franchisee.

Majority of company's revenue (over 90%) is derived from repeat work, delivering a normalised EBITDA of $154,000 in 2021. No lease expense as the business can be operating from home and currently the owner spends around in 20-30 hours a week working on the business.

The company has long-term relationships with numerous clients and there is low customer concentration with minimal reliance on any single client. Furthermore, the business has a strong customer base of 92 clients with whom it has contracts and approximately 2,500 clients in the database.

This opportunity does not require specific experience but would suit someone with managerial expertise who would like to be a hands-on operator.
