

Kitchen manufacturer and supplier, EBITDA $1m

This kitchen importer, manufacturer and distributor business has over 17 years of experience and a strong reputation. The business serves a diverse client base, catering to both blue-chip commercial clients and individuals.

The company generated a normalised EBITDA of $1m in FY24 and produces high gross margins which ensure strong profitability. The business has physical presence via state of the art showrooms across the North and South Islands.

The business is managed, with day-to-day operations handled by experienced and capable staff with high-level support from the owner. The team have access to specialised technology and equipment that enables them to provide customers with the best service possible. In addition, the business has long-standing relationships with multiple suppliers and has secured favourable terms over time.

There are several channels for future growth, which include product diversification, sales strategies, volume scaling, and expanding the business' presence into strategic locations.

The domestic market looks promising with business confidence increasing. With economic recovery in sight, this is your opportunity to secure a market-leading business with robust financial performance, capable staff, and future
