

Art School for Sale: 14 Hours/Week, More Money Than a Job

An art school operating 14 hours a week, offering more freedom and earning than traditional employment.

This franchise art school operates 2 hours on Tuesday, Wednesday, and Thursday, and 8 hours on Saturday. The owner primarily coordinates operations, working not only short hours but also flexible hours, yet earning more annually than a typical full-time job.

No prior experience is required, as the headquarters provides unified training and standardized teaching materials. Currently, there are 80 students enrolled.

If you were to join as a new franchisee, the franchise fee would be AU\$125,000. However, the seller is eager to move overseas and is offering the business, along with 80 students and 4 part-time teachers, for only NZ\$98,000.

The annual rent is only \$21,000 plus GST, making it a very easy and promising business.

This opportunity is ideal for those who prefer not to work for others and want a small business with more freedom, parents who need to care for their children and cannot work full-time, or art school graduates who haven't found suitable employment. It's simply perfect.
