## CLEANING EQUIPMENT SALES AND SERVICE \$495,000

EBITDA of \$220K TO WORKING OWNER, \$120K TO NON WORKING OWNER

This well run business in a high profile location has recently restructured to allow a non-working owner to operate the business remotely. With current stock of \$438,000 and assets of \$24,000, the \$495,000 purchase price represents excellent value for money. A purchaser looking to work in the business themselves could increase their return by \$100,000/year to \$220,000/year. The vendor has recently reduced their price expectations due to personal circumstances.
