Cabinetry Manufacturing Business for Sale – Normalised EBITDA \$470,000 (FY2025)

Auckland-Based | High Exposure | Efficient and Scalable Operation

An exceptional opportunity to acquire a profitable and growing cabinetry factory located on a main arterial road in Auckland, with excellent signage visibility. This medium-sized 500m² factory is equipped with advanced CNC machinery, delivering high speed and productivity with minimal labour.

The business boasts a balanced and secure customer base – 50% from long-term developer clients and 50% from the retail market. Despite the downturn in the property sector, the company achieved a remarkable revenue increase, reaching \$2.34M+GST in FY2025, more than double the previous year.
