## Profitable Civil Engineering & Land Development Consultancy with Proven Delivery

This Auckland-based business delivers civil engineering consultancy alongside hands-on infrastructure project delivery, including design, planning, project coordination and on-site execution. Working with developers, contractors and asset owners, it provides practical, compliant and cost-effective civil solutions from concept through to completion.

A rare opportunity to acquire a disciplined, scalable operation delivering consistent earnings and strong margins in a high-demand infrastructure sector.

### Key Financial & Operational Highlights

- FY25 revenue \$737k; FY26 annualised revenue over \$1M ; FY27 budgeted revenue close to \$1.2M
- Weighted normalised earnings (SDE) approx. \$370,000
- Strong cashflow and margin performance
- Lean cost structure with scalable systems
- Established client relationships and repeat work

Unlike consultancy-only models, this business combines advisory expertise with
