

Major Auckland Demolition Business - Priced for Opportunity

A rare opportunity to acquire a well-established Auckland demolition and asbestos removal business with an experienced workforce, specialist license's, plant and equipment, and established industry relationships. The business provides commercial, industrial and residential demolition services, together with Class A and Class B asbestos removal services.

The business is operationally managed on a day-to-day basis, with the owner having progressively reduced his involvement while concentrating on another business venture.

Key highlights:

- FY2026 EBITDA - $290,000
- Minimal owner involvement in daily operations
- Experienced management and operational team
- Class A and B asbestos licenses
- Comprehensive QHSE systems and procedures
- Established commercial contractor relationships
- Significant plant and equipment included
- Strong reputation in the Auckland construction sector

Price	$775,000

The current premises are not included in the sale, and the business will need to be relocated. The opportunity may particularly suit an established civil contractor, earthmoving company, drainage contractor, house removal operator, construction services company or related business seeking to add an established demolition/site clearing division in the Auckland region.

The vendor's reason for sale is straightforward: he wishes to concentrate fully on his other business venture and is commercially realistic regarding a transaction.
